Sponsorship Packages - Marketing Mini Open

On April 23, 2026, AMA Houston will host the AMA Gives Back Mini-Golf Tournament. This family-friendly, lighthearted fundraising event will help AMA Gives Back raise funds for our 2026 grant and scholarship programs.

Every year, AMA Gives Back awards grants and scholarships to Houston area nonprofits and prospective undergraduate marketing students. Since the program's inception in 2008, AMA Houston has awarded more than \$200,000 to several amazing non-profit organizations and students who utilize the funding to impact the community and fuel educational endeavors.

Becoming a Mini-Golf sponsor ensures that we continue to provide grants and scholarships to well-deserving non-profit organizations and students.

Thank you for your consideration!
